PUBLIC NOTICE OF ENVIRONMENTAL REVIEW

PROJECT: South Coast Renewables, LLC (FKA Products of New England)

LOCATION: 100 Duchaine Boulevard, New Bedford, MA

PROPONENT: South Coast Renewables, LLC (FKA Products of New England)

The undersigned is submitting a Notice of Project Change – Supplemental Final Environmental Impact Report("NPC-SFEIR") to the Secretary of Energy & Environmental Affairs on or before July 15, 2022.

This will initiate review of the above project pursuant to the Massachusetts Environmental Policy Act ("MEPA", M.G.L. c. 30, s.s. 61-62I). Copies of the NPC-SFEIR may be obtained from accessing www.parallelproductssustainability.com or by contacting:

Green Seal Environmental, Inc.

Attn. Greg Wirsen

114 State Road, Building B

Sagamore Beach, MA 02562

Tel: (508) 888-6034 of greg@gseenv.com

(Proponent's agent)

A full copy of this NPC-SFEIR, and/or updates to this project can accessed and downloaded at www.parallelproductssustainability.com/sfeir. Also, a limited number of hard copies of the NPC-SFEIR are available upon request, on a first come first served basis, by contacting Green Seal Environmental, LLC.

Notification of the filing of the NPC-SFEIR will be published in MEPA's Environmental Monitor on July 22, 2022.

The MEPA Office prefers that comments be submitted electronically either by email to alexander.strysky@mass.gov or through the MEPA Public Comment Portal (available at <https://www.mass.gov/service-details/submitting-comments>). Please reference this project with the designation [EEA #15990].

While the MEPA Office is presently open, it may take longer to process and review comments submitted by mail. Comments submitted by mail should be sent to the address below as early as possible to ensure they are reviewed before the end of the comment period:

Secretary of Energy and Environmental Affairs
Executive Office of Energy and Environmental Affairs (EEA)
Attn: MEPA Office
Alex Strysky - **EEA No. 15990**
100 Cambridge Street, Suite 900
Boston, MA 02114

Should additional informational meeting(s) on the project be held on the NPC-SFEIR, the date, time and location of the meeting(s) will be posted on the Parallel Products web site www.parallelproductssustainability.com as soon as the arrangements have been finalized.

A Certificate on the NPC-SFEIR will be issued by the Secretary of the EEA on August 29, 2022. The Certificate will contain a determination that either 1) the NPC-SFEIR is adequate, or 2) the NPC-SFEIR is inadequate and include a scope of additional study and analysis for a supplemental FEIR.
